

ANDUGODA K V 2094109 ENGLISH ACTIVITY ROOM OPENING FUNDED BY LADYWELL GYM SOCIETY

The Building

The newly built Library and the English Activity Room of Andugoda KV was ceremonially opened on Thursday 20th September 2007.

Ceremony

The new English Activity Room was ceremonially opened by Miss. Laura Fallowfield, the General Manager of Adopt Sri Lanka. The TWINS Manager Bec Lyons also attended the special event. This was a long felt need for the Andugoda School throughout their 50 year history. Also the officials of Southern Provincial Education Department were present and highly appreciative of the generous donation made by Ladywell Gym Society.

A huge number of villagers and the principals from nearby schools were present there. Everyone looked very happy with the progress of the Andugoda School. The new building

added an unlimited beauty to the School. All who participated in this event appreciated this great and worthy donation.

The School Eastern band took us inside the school with a tremendous performance.

After the opening there was a cultural dancing show organised by the school with many people gathering to watch. Andugoda children were very happy with everything they received.

The audience enjoys the Traditional Dances.

With your Kind Donation we were able to arrange delivery of the furniture required for the new building and the books for the library. 6 Activity Tables, 2 Cupboards, 30 stools and 20 chairs & book racks were given to them.

Also with your funds we arranged delivery of English Grammar books, Story books, Novels, Dictionaries and, Ladybird book series. As you can see it looks fabulous now. This will encourage Sri Lankan students to learn English in a comfortable environment.

In Brief

This was a dream to the Andugoda Students which may never have come to fruition without the support of Ladywell Gym Society. They were delighted with everything they received. All were very happy with the quality and the structure of the new English Activity Room. It looks great and you have made a huge difference inside the school. The children are really motivated now and they will get the maximum use of this new building and its resources.

They want to send you a huge thank you. Especially the principal and the staff are very happy with the resources they got to teach these students. They have no words to thank you.

As the field officer of Andugoda School, I would like to thank all who made this happen.

This invaluable donation to Andugoda School will be written in the golden History of Ladywell Gym Society. This will be an acceleration between the link with your children and the Andugoda children.
